## Who we are ?

Virtue Sources is a prime recruitment and consultancy agency in India. It is our main focus to help you shortlist the best candidates for your job profile. Sometimes it becomes very difficult to go on combing for candidates and being unable to find the right ones who fit your needs. This is where the requirement for us pops in.

## Our Service

### Recruitment Services

As the name would suggest, in this field, we outsource candidates keeping compliance with your requirements.

### Executive Search

We are with you if you think that this process is difficult and delicate.

### Manpower Planning

Another field that often needs expertise attention is planning the manpower resources of your company

### Training and Development

We do carry out training and development programs as well.

### Permanent Hiring

Virtue Sources has always been an advocate of employees and we treat them like they are our biggest treasure.

### Lateral Hiring

Often it happens that the skills that you are looking for are not present among your present employee set.

### Campus Hiring

Campuses are the best place for hiring fresh talent and hence Virtue Sources relies heavily on the campus hiring process.

## Our Goal

We can understand that hiring the best candidate for your job role is crucial and a very complex process that most recruitment firms cannot take up. At Virtue Sources, we strive to alleviate you of this distress and ensure that nothing but only the best reaches you for the final interview!
